Additional Information

- This event is ante only. The player on the button will post a second ante which will act as a blind. Preflop action starts to the left of the button and players may call the additional ante, raise, or fold. The player on the button acts last and may check if there has been no raise made.
- All cards 2-5 will be removed from the deck.
- Rules are the same as NLH except flushes beat full houses, and A-6-7-8-9 makes a straight.
- Players begin with two 8,000 tournament chip stacks - one in play from the start, and another that can be redeemed at any time.
- If a player is eliminated, their second 8,000 chip stack will automatically be put in play.
- All secondary 8,000 chip stacks will be automatically redeemed at the end of registration.
- Registration and re-entries until the start of level 7.
- When 4 players remain, blind level duration will change to 15 minutes.
- Play will continue until a winner is determined.
- 10 min break at the completion of every two hours.
- \$200 of each entry goes towards the prize pool.
- 3% taken from the prize pool for dealers and staff.

Additional Information

Structure for the **6-MAX N.O.R.S.E. Split Partner Event** continues on the following page

- Each player in a two-partner team begins with 10,000 in tournament chips.
- Each partner will play their own stack as an individual player until the end of level nine (9). One player will be playing NLH + O8, the other will be playing Stud, Stud8, and Razz. After level 9, partners will combine stacks, a redraw will occur, and the event will play out as a tag team event starting with NLH. Players may tag in and out as long as they are not in a hand. Although this is a partner event, the one player per hand rule will be enforced, and partners can not coach or advise each other while at the table.
- Teams must register together. If one player in a team is eliminated, they may reenter while late registration is open.
- When reentering, players must enter into the same mix/section they were eliminated from.
- Registration and re-entries through the beginning of level 7.
- Players may only register in one team.
- When heads-up is reached, blind level duration will change to 10 minutes.
- \$100 of each entry contributes to the prize pool.
- 3% taken from the prize pool for dealers and staff.
- Approximately 8% of the total entries will cash
- 10 minute break at the completion of level 6. There will be no breaks once teams combine.
- Play will continue until winners are determined.
- TDA rules apply.
- Management reserves all rights.
- If a partner busts and does not re-enter, they are live player again once the teams combine after level 9.

Additional Information

- Tournament will play 5 handed.
- Players begin with 15,000 starting chips.
- Registration and re-entries available until the beginning of level 7.
- When three players remain, blind level duration will change to 10 minutes.
- Players are paid out a maximum of what they currently have in their stack (for example, if a player has 1,000 chips in their stack, they will receive a maximum payout of 1,000 chips per opponent no matter how many points/chips their winning board is worth).
- The top/high card board is scored first (and then the middle/2 card board, and finally the bottom/4 card board).
- If a player loses all of their chips after paying out the top (and/or middle) board, then they are eliminated from the tournament, even if they have a winning middle or bottom board.
- A high card will be used to select which player will be moved to another table for rebalancing.
- If a player is not present at the conclusion of the deal, their hand is dead and they will have to pay out the required points to the winning player(s).
- **Two boards will be run for each set/hand, after the first board is scored, it is removed and a new board is run out and scored using the same process.**
- **4-color decks will be used in this tournament.**
